25X1A	Were contained in a previous report. See The unit has been relieved every six weeks. The fact that, although	25X1A			
	located in the area of the Third Gds Mecz Army, the denot is protected				
	by an AAA unit of the Fourth Gds Mecz Army again constitutes evidence that the depot at Toepchin is subordinated directly to the GOWN	0EV40			
25X1C	The state of the s	25X1C
